Dear Faculty Members,

Greetings from **The Hackers Meetup Coimbatore Team!**

We are pleased to invite your students to participate in **Cyberthon 2025**, a prestigious cybersecurity hackathon hosted by the **Tamil Nadu Police, Coimbatore**, in collaboration with **The Hackers Meetup Coimbatore** and **DEFCON Coimbatore**. This event offers an opportunity for students to tackle real-world challenges, showcase their skills, and compete for recognition in one of the year's most anticipated cybersecurity competitions. Participants will also have the chance to win cash rewards and gain **internship opportunities** in both **public and private sector organizations**, gaining valuable experience and advancing their careers in cybersecurity.

Event Overview

Milestone	Details
Key Domains	DFIR , AI Cyber Security , Corporate Security , Child / Women Safety , OSINT / Threat Intelligence

Registration opens on	January 15, 2025 (Online Registration through Google form)
Phase 1 - Solution Proposal	February 15, 2025 - Online
Phase 2 - Implementation Round	March 15, 2025 - Online
Phase 3 - Grand Finale	March 29, 2025 (8:00 AM To 4:00 PM) In person
Grand Finale Venue	Kumaraguru College Of Technology(KCT), Coimbatore, Tamil Nadu, India
Cash Prizes	First Prize - 50,000 Second Prize - 25,000 Third Prize - 12,500
Eligible Locality	TamilNadu & Puducherry
Eligible Participants	UG, PG & PhD (Excludes Working Professionals)
Participant Requirements	Individual or a maximum of 3 participants per team

We are honored to have the support of esteemed organizations offering exclusive internship opportunities, including **Tamil Nadu Police, 4i apps solutions, Cybernerds Solutions, Rootecstak, CSUITE TECH LABS**, and **many more companies**. These

partnerships provide participants with valuable hands-on experience and a chance to kick-start their careers in cybersecurity.

Becoming a participant in Cyberthon 2025 offers several strategic advantages:

For Students :

1. Gain practical experience by solving **real-world cybersecurity problems**, enhancing their **technical** and **problem-solving skills**.
2. Opportunity to connect with industry leaders and explore internship opportunities in public and private sector organizations, opening doors for future employment.
3. Engage with cybersecurity professionals, mentors, and peers, expanding their professional network.
4. Stand out in the industry by earning recognition for their innovative solutions, which can enhance their resumes and portfolios.
5. Develop teamwork, communication, and critical thinking skills by working in a collaborative and competitive environment.

For Colleges :

1. **Build Networks with Companies and Industry Experts for Placement** – Establish connections that can lead to internship and job placement opportunities for students.
2. **Foster Partnerships with Industry Leaders** – Engage with top cybersecurity firms and experts, creating valuable opportunities for future collaborations and placements.
3. **Create Opportunities for Student Growth and Career Advancement** – Support students in gaining practical experience and securing roles in the cybersecurity field.

Reserve Your Spot in Cyberthon 2025!

Exciting news! **Registration opens on January 15, 2025.** Don't miss the chance for your students to join this premier cybersecurity hackathon.
